

Waterbury Cemetery Commission

June 2, 2015 meeting minutes

4PM – Steele Block

Present : Barbara Walton, Betty Jones, Ed Brown, Jack Carter

Chad Ummel

Minutes of May 5th meeting were approved.

Chad presented updated draft of the Rules and Regulations. Some changes and revisions were discussed and Chad noted them. No action was taken until July meeting.

Chad mentioned that since new State regulations require trash receptacles in public places there also needs to have recyclable receptacles. There are no longer trash containers at Maple Street Cemetery. People are leaving trash at the usual spot but without receptacles present. He will let Public Works that this is not acceptable with the Commissioners.

The new trees are planned to be planted this week. Ten maples and four oaks will be planted at Maple Street and eight oaks in Hope.

Chad will meet with Jack and Barb on Thursday, June 4th at 9AM to visit Loomis Hill Cemetery. Chad has not seen the cemetery and would like to know the conditions there in order to maintain vegetation grow in the cemetery.

Jack proposed that when the transfer of Hope (Waterbury Cemetery Association) assets and liabilities takes place that some of the assets be set aside to do maintenance in the cemetery; stone cleaning, stone repair, tree and scrub work, cosmetic appearance, etc.

No other business was conducted. Meeting adjourned at 5PM.

Next meeting will be July 7th.

Respectfully submitted,

Jack Carter
