

**Parking Meeting**  
**July 11, 2014**  
**8:00 – 9:00am, Steele Block**

Attendees: Jeffrey Larkin, Jeff Smith, Don Schneider, Natalie Howell, Laura Parette, Hiata DeFeo, Fauna Hurley, Kristin Kassis,  
Regrets: Kelley Hackett & Jeremy Ayers

*Thanks for folding Arts Fest Flyers! See you tonight and tomorrow at the Arts Fest!*

Larkin wanted to clarify a few numbers from Kelley's tally: add 11 private spaces in Jeremy's space and the Reservoir technically has 4 spaces (not 2) and old Ocha 6. N Main Street is 36 spaces (not 31).

Jeremy, Kelley, Don, Natalie, all submitted their tally sheets

Larkin sidenote: From Pro Pig, The Reservoir, Arvads and Craft Beer Cellar have a total of 12 off-street parking and their combined permits indicate they have 195(!).

Kristin – handed out her diagram of parking inventory and explained how she designated which spaces. P=Public, R=Residential/Employee, B=Business (Private), I= Informal (Private), H=Handicap, P2=Public 2-hour, P15=Public 15,

Jeff Smith – Fire Station – 23 spots all R except for 1 Handicap. Public = 17 spaces in muni lot, 76 spots in the informal lot where the Freight House used to be, lower railroad street 14 spaces not marked, Randall St – 19 spots down to the fire hydrant.

Don – 28 = P, 1= P15, 3 bus signs (GMTA), 2 bus lots for tour buses, 33 fringe going down Main Street.

Natalie = Rotarian Way, 14 = P (2 of them are H). Park Row on business side, 16=B, 4=I (on railroad property near Park Row Café), Park Row along the park, 7=P2, 1=I near fire hydrant, Park Street on park side 7=P (no markings). Count spaces B (on other side of Station), this is fringe but should be counted.

Laura: Handicapped spaces are often not ADA compliant.

**Action – All mappers (Jeff, Natalie, Don, Kelley, Jeremy) please send a hand / excel drawing with markers to Kristin – [kkassis@work-wise.com](mailto:kkassis@work-wise.com) scan them or bring them to the next meeting.**

PLEASE USE THIS AS A LEGEND:

P = Public / Municipal

B = Business (ie Fisher Auto, it's private but for their customers)

R = Restricted Residential (tenants or employees)

I = Informal (not a formal space but people use it ie TD Bank drive-thru island)

H = Handicap
