FAQ'S

Q: How is my total allocation calculated?

A: The Village follows the State of VT Water Supply Rule and Wastewater System and Potable Water Supply Rules, which can be found at <http://drinkingwater.vt.gov/dwrules/pdf/vtwsr2010.pdf>.

Q: What does my per-gallon allocation represent?

A: Purchased allocations guarantee that your property will have the necessary water and wastewater capacity it needs to function properly. The allocation is based on a maximum capacity to guarantee that the system can provide your property with adequate water and sewer service on a maximum use day.

Q: What happens if I give up my allocation?

A: BY "giving up" the allocated capacity to your property, you are no longer responsible for paying base charges on that property. However, once allocation capacity is revoked, your connection to the system will be suspended and you will need to re-purchase the allocation at full cost to restart service.
