*For hard copies or accessibility accommodations please contact: Karen Petrovic; [karen@waterburyvt.com](mailto:karen@waterburyvt.com)*

Waterbury Select Board,

Thank you for considering my appointment to the HUUSD School Board for a second term. Since being appointed last year, I have found the experience to be a great fit, and I look forward to continuing to serve the community.

The past year was filled with several HUUSD success stories, and a few challenges. Our schools are ranked among the best in Vermont, as recognized by reputable organizations such as US News & World Report and Niche. The Finance Committee (I was Waterbury's representative) helped do a deep dive on budget expenses. We passed a budget with overwhelming public support that actually **reduced** property taxes in Waterbury without cutting valuable academic programs. The School Board and Administrative teams are working well together to build a strong future for the community.

It is widely acknowledged that Vermont's education system faces significant challenges, and there is truth to that. The coming years will bring both known and unforeseen obstacles. Addressing these issues will require the right school board members—individuals who ask the tough questions and navigate shifting regulations and public expectations. .

I believe I am well-suited to meet these demands for several reasons:

- **Business Expertise:** My extensive background in business, including being named Microenterprise of the Year by the Small Business Administration, has given me a deep understanding of the challenges and opportunities within a budget-constrained system. This knowledge enables me to make informed decisions that prioritize student success while ensuring financial responsibility for local taxpayers.
- **Commitment to Students:** I am dedicated to fostering an environment where every student feels valued, respected, and supported, regardless of their background. For 15 years, I have demonstrated this commitment by coaching Waterbury youth and school sports, including soccer, basketball, and baseball.
- **Strong Communication & Collaboration:** My ability to communicate effectively and collaborate with fellow board members, administrators, teachers, parents, and community stakeholders allows me to foster open dialogue and build consensus to drive positive change.
- **Personal Investment in Education:** As a Waterbury resident since 2001 and a father of four children, I have firsthand experience with the diverse educational pathways available to students. Each of my children has taken a unique academic journey, which has challenged our schools to adapt and innovate. These experiences have broadened my vision of what an efficient, modern, 21st-century education should look like.

In conclusion, my passion for education, experience in business, commitment to equity, and ability to collaborate make me a strong candidate for the school board. Both the Chair of the Board and the Superintendent have expressed their desire for me to continue serving. I am eager to bring my skills and experience to this role to help shape the future of our schools and empower all students to thrive.

Sincerely,  
Dan Roscioli
