Open Public Forum (starts at 7:00PM): Informational needs for homeowners interested in small construction projects

The Housing Task Force has been invited to apply for a grant from the Vermont Community Foundation to host an educational series for homeowners interested in developing additional housing on their property. The series may cover topics such as local zoning regulations, the construction process, financing options, and the fundamentals of becoming a landlord. The goal of this forum is to gather input from the community to help prioritize and shape the focus of the initial workshops in the series.
